FAFSA[®] FORM 2026–27 Student Alex Tran Save FAFSA Menu

Provide Consent and Approval or You Won't Be Eligible for Federal Student Aid ⓘ

Summary

Your consent and approval are needed to retrieve and disclose federal tax information. With your consent and approval, we can obtain tax return information automatically from the IRS to help you complete the FAFSA[®] form. If you don't provide consent and approval, you will not be eligible for federal student aid, including grants and loans. You must provide consent and approval even if you didn't file a U.S. federal tax return or any tax return.

→ Get your 2024 tax return information for the 2026–27 FAFSA form.

→ Tax return information is required to complete the FAFSA form.

→ Federal tax information is used to determine your eligibility for federal student aid.

By accepting below, I consent to the disclosure of information about me, and affirmatively approve of

- the receipt and use of my federal tax information, and
- the redisclosure of my federal tax information by the U.S. Department of Education (ED), as described herein.

By accepting below, I consent to and affirmatively approve of, as applicable, the following:

- ED may disclose my Social Security number/Individual Taxpayer Identification Number, last name, date of birth, unique identifier, the tax year for which federal tax information is required, and the date and timestamp of my approval for the use of my federal tax information in determining eligibility by ED for which approval is provided to the U.S. Department of the Treasury, Internal Revenue Service (IRS). I understand that in response to such a request from ED, the IRS shall then disclose my federal tax information to “authorized persons” (i.e., specifically designated officers and employees of ED and its contractors [as defined in 26 U.S.C. § 6103(l)(13)(E)]) for the purpose of determining eligibility for and the amount of federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *Title IV of the Higher Education Act of 1965*, as amended, for myself or an applicant for federal student aid who has requested that I share my federal tax information on their *Free Application for Federal Student Aid* (FAFSA[®]) form.

Student Provides Consent

4. ED may redisclose my federal tax information to another FAFSA applicant's FAFSA form(s) for which I elect to participate. By accepting an invitation and affirmation to participate in another individual's FAFSA form, my federal tax information will be redisclosed to the additional application. I understand that I may decline an invitation to participate, which will prevent the transfer of my federal tax information to that FAFSA form.

By consenting and providing my affirmative approval, I further understand the following:

1. My consent and affirmative approval are required, as a condition of my eligibility or the eligibility of a FAFSA applicant who has requested that I share my federal tax information on their FAFSA form, for federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *Title IV of the Higher Education Act of 1965*, as amended, even if I did not file a U.S. federal tax return.
2. I am providing my written consent for the redisclosure of my federal tax information by ED to include, but not limited to, institutions of higher education, state higher education agencies, designated scholarship organizations, their respective contractors and auditors, other family members participating in the FAFSA form, Office of Inspector General, under 26 U.S.C. § 6103(l)(13)(D), and with my further express written consent obtained by an institution of higher education, the redisclosure of FAFSA information pursuant to the terms and conditions of 20 U.S.C. § 1098h(c).
3. Any federal tax information received from the IRS at a later date shall supersede any manually entered financial or income information on the FAFSA form.
4. ED may request updated federal tax information from the IRS once my consent and approval are provided. If federal tax information has changed (e.g., amended tax return filed with revised information), then eligibility for and amounts of federal, state, and institutional financial aid may change.
5. If I do not consent to the redisclosure of my federal tax information to institutions of higher education, state higher education agencies, designated scholarship organizations, and their respective contractors, ED will be unable to calculate my eligibility for federal student aid or the eligibility of a FAFSA applicant who has requested that I share my federal tax information on their FAFSA form.

By accepting below, I consent electronically to the use of my StudentAid.gov account username and password (FSA ID) as my signature and certify under penalty of perjury under the laws of the United States of America, that the foregoing is true and correct. I understand that any falsification of this statement is punishable under the provisions of 18 U.S.C. § 1001 by a fine, imprisonment of not more than five years, or both, and that the knowing and willful request for or acquisition of records pertaining to an individual under false pretenses is a criminal offense under the *Privacy Act of 1974*, subject to a fine of not more than \$5,000 fine (5 U.S.C. § 552(a)(i)(3)). By accepting and submitting my part of the FAFSA form, my execution (including date and time) of consent and approval will be logged in ED's Person Authentication Service System of Record (18-11-12).

Amount of College Grants, Scholarships, or AmeriCorps Benefits Reported as Income to the IRS

Students typically answer this question with a zero because most scholarships and grants, including Federal Pell Grants, are not considered taxable income. If the student is married, include the amount their spouse reported. If the response is other than zero, the amount is typically not the same as the amount reported on IRS Form 1098-T (Box 5) or the adjusted gross income reported on the tax return.

Provide Consent and Approval or the Student Won't Be Eligible for Federal Student Aid

Summary

Your consent and approval are needed to retrieve and disclose federal tax information. With your consent and approval, we can obtain tax return information automatically from the IRS to help you complete your section of the student's FAFSA[®] form. If you don't provide consent and approval, the student will not be eligible for federal student aid, including grants and loans. You must provide consent and approval even if you didn't file a U.S. federal tax return or any tax return.

→ Get your 2024 tax return information for the 2026–27 FAFSA form.

→ Tax return information is required to complete the FAFSA form.

→ Federal tax information is used to determine the student's eligibility for federal student aid.

By accepting below, I consent to the disclosure of information about me, and affirmatively approve of

- the receipt and use of my federal tax information, and
- the redisclosure of my federal tax information by the U.S. Department of Education (ED), as described herein.

By accepting below, I consent to and affirmatively approve of, as applicable, the following:

1. ED may disclose my Social Security number/Individual Taxpayer Identification Number, last name, date of birth, unique identifier, the tax year for which federal tax information is required, and the date and timestamp of my approval for the use of my federal tax information in determining eligibility by ED for which approval is provided to the U.S. Department of the Treasury, Internal Revenue Service (IRS). I understand that in response to such a request from ED, the IRS shall then disclose my federal tax information to “authorized persons” (i.e., specifically designated officers and employees of ED and its contractors [as defined in 26 U.S.C. § 6103(l)(13)(E)]) for the purpose of determining eligibility for and the amount of federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *Title IV of the Higher Education Act of 1965*, as amended, for myself or an applicant for federal student

Student's Parent Provides Consent

- State higher education agencies
 - Scholarship organizations designated prior to Dec. 19, 2019, by the secretary of education
 - Contractors of institutions of higher education and state higher education agencies to administer aspects of the institution's or state agency's activities for the application, award, and administration of such financial aid
4. ED may redisclose my federal tax information to another FAFSA applicant's FAFSA form(s) for which I elect to participate. By accepting an invitation and affirmation to participate in another individual's FAFSA form, my federal tax information will be redisclosed to the additional application. I understand that I may decline an invitation to participate, which will prevent the transfer of my federal tax information to that FAFSA form.

By consenting and providing my affirmative approval, I further understand the following:

1. My consent and affirmative approval are required, as a condition of my eligibility or the eligibility of a FAFSA applicant who has requested that I share my federal tax information on their FAFSA form, for federal student aid under a program authorized under subpart 1 of part A, part C, or part D of *Title IV of the Higher Education Act of 1965*, as amended, even if I did not file a U.S. federal tax return.
2. I am providing my written consent for the redisclosure of my federal tax information by ED to include, but not limited to, institutions of higher education, state higher education agencies, designated scholarship organizations, their respective contractors and auditors, other family members participating in the FAFSA form, Office of Inspector General, under 26 U.S.C. § 6103(l)(13)(D), and with my further express written consent obtained by an institution of higher education, the redisclosure of FAFSA information pursuant to the terms and conditions of 20 U.S.C. § 1098h(c).
3. Any federal tax information received from the IRS at a later date shall supersede any manually entered financial or income information on the FAFSA form.
4. ED may request updated federal tax information from the IRS once my consent and approval are provided. If federal tax information has changed (e.g., amended tax return filed with revised information), then eligibility for and amounts of federal, state, and institutional financial aid may change.
5. If I do not consent to the redisclosure of my federal tax information to institutions of higher education, state higher education agencies, designated scholarship organizations, and their respective contractors, ED will be unable to calculate my eligibility for federal student aid or the eligibility of a FAFSA applicant who has requested that I share my federal tax information on their FAFSA form.

By accepting below, I consent electronically to the use of my StudentAid.gov account username and password (FSA ID) as my signature and certify under penalty of perjury under the laws of the United States of America, that the foregoing is true and correct. I understand that any falsification of this statement is punishable under the provisions of 18 U.S.C. § 1001 by a fine, imprisonment of not more than five years, or both, and that the knowing and willful request for or acquisition of records pertaining to an individual under false pretenses is a criminal offense under the *Privacy Act of 1974*, subject to a fine of not more than \$5,000 fine (5 U.S.C. § 552(a)(i)(3)). By accepting and submitting my part of the FAFSA, my execution (including date and time) of consent and approval will be logged in ED's Person Authentication Service System of Record (18-11-12).

Family Size

Based on answers to previous questions, we've made some assumptions about the parent's family. The student and the student's parent (and parent's spouse, if married) are always included in the family size. The box below shows the parent's family size based on our assumptions and the number of children or other dependents you report.

 The parent's family size is **5**.
Parent: 1 Parent Spouse or Partner: 1 Student: 1 Parent's Children and Other Dependents: 2

Enter the number of children or other dependents who live with the parent and will receive more than half of their support from the parent between July 1, 2026, and June 30, 2027.

*Include dependent children who meet these criteria, even if they live apart because of college enrollment.
Do not include the student applicant.*

Parent 2024 Tax Return Information

Refer to the parent's 2024 tax return to answer the following questions.

If the answer is zero or the question does not apply, enter 0.

IRA Rollover Into Another IRA or Qualified Plan

\$

.00

Pension Rollover Into an IRA or Other Qualified Plan

Amount of College Grants, Scholarships, or AmeriCorps Benefits Reported as Income to the IRS

People typically answer this question with a zero because most scholarships and grants, including Federal Pell Grants, are not considered taxable income. If the parent is married, include the amount their spouse reported. If the response is other than zero, the amount is typically not the same as the amount reported on IRS Form 1098-T (Box 5) or the adjusted gross income reported on the tax return.
